

Suspicious Door To Door Salespersons

Good afternoon,

There has been two males going from door to door in your local area this afternoon. The males told a resident they had recently been released from prison and were selling kitchen appliances. They have then asked to enter the address and go through to the garden.

Neither male provided any identification.

Please be mindful of who you allow into your property and report anything suspicious to the police. We would also urge you to look out for your neighbours and anyone who could be particularly vulnerable.

If you experience anything similar to the incident above please call us to report this on 101. It's also worth remembering that you can now report crime and incidents through our website. Just click the link here <https://doitonline.lancashire.police.uk/> and follow the instructions.

Many thanks
