

Op Galaxy - Tackling Stalking and Harassment

Imagine jumping every time the phone rings. Whenever you receive a text. Whenever the letter box rattles. Imagine looking over your shoulder all the time – on the school run, on the way to work, in the supermarket. For many victims of domestic abuse this is a frightening reality. In our force area 30% of all domestic abuse offences reported to us are in relation to stalking and harassment. It happens to both men and women - and if this is happening to you, we can help. Today, as we continue to Lift The Police Tape on the work of our teams and the role they're playing as part of Operation Galaxy, **Detective Chief Inspector Emma Heatley** explains more. <https://www.humberside.police.uk/news/all-i-want-christmas-you-leave-me-alone>
