EDITION

We are delighted to bring you the [August 2021 edition of "Our News"](#), the e-newsletter for all Neighbourhood Watch supporters across England and Wales.

In this month's edition we introduce our new **KNOWLEDGE HUB**, a new resource for our volunteers to use, chat with each other, share ideas and have access to specific information designed for their role.

We will be welcoming **AirBnB to our partners** and explaining how Neighbourhood Watch has teamed up with other like-minded charities, such as CrimeStoppers and Get Safe Online, to form the **UK's first Trust and Safety Alliance**.

Find out how crime and the perception of crime has changed during Covid with the results of the **UCL survey**.

Find out how Lottie, an 8 year old from York, entered our **Croods 2 competition** to design a treehouse and **won!** Her design has been brought to life at the **Nottinghamshire Wildlife Trust reserve in Retford**. We had the pleasure of being there when the treehouse was revealed to Lottie in July and now the treehouse is open to the public for all to enjoy.

We hope that you will enjoy reading our newsletter, just as much as we enjoyed putting it together for you.

Best wishes
